

UKS MOS Opole will win gold medals from the U15 tournament

The seventh continuation of the U15 tournament series took place in the Slovak city of Sered'. But we would look for Sered' in the results list in vain. The home team was replaced in the tournament by the BSC Bratislava team. The tournament was characterized by large differences in the performance of individual teams.

As already mentioned, the performance of individual teams in this tournament was very different. It could be divided into about three categories - the medalists (Opole, Olomouc and the Southern Vultures team from Prague's Petrovice), followed by the group of "fake home team" BSC Bratislava and Polish UKS Piatka Ostrów Wielkopolski. And the category itself was arranged by the German team Academy Potsdam.

There weren't many, just a few points, and in two-thirds of the matches of the entire tournament, a magical "hundred" would be scored. Most teams probably forgot to pack defensive activities in their backpacks for the trip. On the contrary, the offensive power, especially of the medalists, was above average. Spectators thus had the opportunity to watch a literal "cannonade" and beautiful offensive actions. We can only speculate how many wrinkles it put on the coaches' foreheads.

Only Sunday's program brought balanced matches. First, the BCM Olomouc team competed against UKS MOS Opole in the imaginary final of the tournament. The first half was a battle for every ball, every basket with a minimal difference in the score. The onslaught of the Polish team came in the third quarter. Here, the lead of the Polish team grew to a double-digit difference, which was decisive for the outcome of the match. The match between Jízní Supi and BSC Bratislava ended the tournament in Sered' more than decently. It was a fight for bronze medals. The first two quarters ended in a draw, in the third quarter it seemed that the Prague team Jízních Supů was escaping the "home" team BSC Bratislava in the score. The home team fought in the final act, but failed to win. Beautiful basketball battle.
