

UKS MOS Opole won the U15 tournament

The next in the series of U15 tournaments is hosted by the spa town of Teplice, this is the eleventh time. The team from Opole did the best, and did not know the bitterness of defeat in the tournament, but the Opole players had to fight hard for their victory.

The tournament was opened by the home team BK Teplice , who challenged the Polish team SKF Jura Basket Zabierzów . It was a pleasant start to the tournament for the home team, as they were already leading by a double-digit margin after the first quarter and were only increasing their lead. The home team certainly did not expect that this would be their last victory in the tournament. In the second match, MBK Karlovka Bratislava , apparently still tired after the long journey, was not enough for Jižní Supi . The first round of the competition ended with a match between the Polish team UKS MOS Opole and the second Bratislava team BSC Bratislava . Opole entered the match very actively and already led by a double-digit margin at half-time. The day was closed by a match between the later medalists from Opole and the Jižní Supi team. The Supi stayed within striking distance throughout the match, but they did not manage to "roll over" their opponents once and thus take the loss by more than 10 points.

Saturday offered mainly clear-cut matches, where the favorites won. The only match where there was a possibility of a surprise was between the teams Opole and Karlovka. Karlovka had a slight lead throughout the first half, losing an acceptable four points before the fourth quarter, but in the end lost by a single three-point shot.

On Sunday, the Slovak derby between BSC and Karlovka is certainly worth mentioning. The first half was completely even, with every ball being fought for. In the third quarter, BSC turned on the higher speed, which they maintained until the final whistle, winning by thirteen points, which guaranteed them the bronze medals.
