

AK Orly Wroclaw is the clear winner of the U13 tournament

The seventh tournament of the U13 category took place in Ostrava. The Polish team AK Orly Wroclaw won unequivocally. In all matches, the Polish team won by more than thirty points. This confirms the dominance with which it acted in this tournament.

In the first match, the home team Academy NH Ostrava played a duel with the BA Young Diamonds academy. The home team entered the match very actively and did not give the Young Diamonds a chance to think about winning. In the second match, the eventual winner of the tournament AK Orly Wroclaw faced another Polish team Oknoplast Inter-Bud Kraków. Wroclaw did not play nice with Krakow at all and by the middle of the match there was no doubt about the winner. The most dramatic match of the tournament took place in the third match. The players in this match were the Slovak team MBK Karlovka Bratislava and the Polish team Lublinianka KUL Basketball. It later turned out that it was a match for fifth place in the tournament. But the passion and commitment of the teams in the match made it seem like they were fighting for the overall victory. Anyway, Karlovka entered the match poorly, but by the middle of the match they took a few points lead. However, Lublinianka took control and after the third quarter the match was even. The ending was better for Karlovka and they managed to squeeze out a two-point win.

Saturday's match did not offer many close matches. An interesting feature of all the matches was that one of the teams always missed the opportunity to enter the match and only in the case of the BA Young Diamonds academy in the duel with Oknoplast Inter-Bud Kraków did such a team subsequently win the match. With this victory, BA Young Diamonds laid the foundation for winning the bronze medals.

On Sunday, Wroclaw confirmed their gold medal win by defeating Lublinianka. Karlovka held off the Young Diamonds academy for half an hour, who confirmed their bronze medal win with a win. And in the last match, the home team defeated Krakow with a quality performance and won the silver medal.
