

Academy NH Ostrava wins The Finals U15

The winner of The Finals U15 for the 2024/2025 season in the U15 category is Academy NH Ostrava. Congratulations.

Friday's program began with group matches. Group "A" offered a match between the teams UKS MOS Opole , BK VIVIDBOOKS Pardubice and the home team AK Stal Ostrów Wielkopolski . Group "B" consists of the teams Academy NH Ostrava , BCM Olomouc and BC Swiss Krono Žary .

In group "A" the home team kept pace with the team UKS MOS Opole for a long time. In the end they lost by a difference of eleven points. The second interesting match was the duel between the teams UKS MOS Opole and BK VIVIDBOOKS Pardubice . A very dynamic match, where the Polish team "had everything" and thanks to eight converted three-point shots they won over Beska by fourteen points.

Group "B" offered three clear wins, with Academy NH Ostrava first winning significantly over the Polish team BC Swiss Krono Žary , and then winning similarly over the BCM Olomouc team. Olomouc improved their mood with a significant win over the Polish team BC Swiss Krono Žary .

The teams Academy NH Ostrava , BCM Olomouc , BK VIVIDBOOKS Pardubice and UKS MOS Opole qualify for the semi-finals. The home team and BC Swiss Krono Žary enter the fight for fifth place. In the first match, it looked like they were playing for the most precious metals. A huge fight for every centimeter of the board, emotions, heavy shots, simply a great match, which, however, did not know its winner, as after the end of the regular playing time the score was 75:75. In the case when two winning matches are played, the game is not extended, so we have to wait until Sunday for the team that will win fifth place.

Both semi-finals had an unexpectedly clear course, when first Olomouc clearly sent the team from Opole into the duel for the bronze medals. Subsequently, Ostrava entered its "Ostrava chainsaw massacre" mode and absolutely clearly sent Beksa into the duel for the bronze medals.

Sunday morning was definitely not sleepy, the battle for fifth place offered great basketball, which was decided by an absolutely extraordinary performance of a player BC Swiss Krono Žary . Alan Więckiewicz helped his team by scoring 57 points, of which the balance of six three-pointers and the success rate of 18/17 free throws is respectable.

In the bronze medal match UKS MOS Opole team and BK VIVIDBOOKS Pardubice team competed. Beksa prepared for this match excellently and immediately took the initiative from the beginning of the match and gained a promising lead. In the further course of the match, it only increased its lead and deservedly won the bronze medals. The final match also offered the opportunity to avenge the defeat in the group. However, Olomouc did not take advantage of this offer despite its great effort. Ostrava entered the match very actively and gained a double-digit lead in the first quarter. In the further course of the match, the match became more even, but Olomouc was the team that was still losing significantly in the score. There was no reversal and Academy NH Ostrava team thus won the gold medals and defended its victory from last season.
