

## WKK Wrocław dominated the U13 tournament in Poland

***The second tournament for the youngest U13 category took place this weekend in Zgorzelec, Poland. Without a single loss, the tournament was clearly dominated by WKK players, who significantly outnumbered all opponents.***

The full number of 6 teams fought for three days in Zgorzelec, Poland. WKK Wrocław made the tournament a separate competition and the only opponent who was able to resist it at least a little was the German HAKRO Merlins Crailsheim, who eventually took 2nd place.

The bronze position remains in Poland again and was occupied by the SKM Zastal Zielona Góra team, whose position was decided by a lost ending in a duel with a German opponent.

In 4th and 5th place are two teams from the Czech Republic, namely Sokol Pražský and Sršni Písek, who played one of the most balanced matches of the tournament.

The last place belonged to the organizing club PGE Turów Zgorzelec.

The tournament did not bring very even matches this time, but this is normal in this youngest category. Even so, the matches were a valuable experience for all participants. After all, for many players it was the first international experience in their beginning career.
