

The first U14 tournament already this week in Děčín

The first tournament of this season starts this Friday. The boys in the U14 category will take care of the premiere, and the opening tournament will be hosted by the Czech town of Děčín.

The long summer break is behind us and after 26 weeks, the carousel of the Central European Youth League starts again. The U14 category is the largest this year, with 13 teams from 5 countries taking part in the game. The opening tournament will take place in Děčín, where participants can look forward to a beautiful league hall and everyone will surely be satisfied with this event.

Once again, you can look forward to live broadcasts of all matches, which will run on YouTube, where there will also be post-match comments from coaches and players. There will also be photos from all matches. All this and much more, including the schedule, results, etc., can be found on our website.
