

Weekend double for WKK Wrocław

Just like their older colleagues from the U15 category, the U14 WKK Wrocław boys did not find a winner in their tournament. The weekend balance of this club is 10 wins from 10 matches.

The second tournament of the U14 category was hosted by the Polish city of Żary. And it was the match between the home team and WKK Wrocław that was the highlight of the entire tournament. In a dramatic duel, the home team was in the lead for a long time, but eventually fell by a single point difference. In the other duels, both favorites dealt with their opponents and took the first two places.

Both Polish teams were joined on the podium by BCM Olomouc, who in the battle for bronze clearly outplayed the Polish team Basket 4kids Zielona Góra. After the gold fight, the second closest result was in the head-to-head fight for 5th place, in which UBC Münster won by 3 points over Jižní Supi.

Final standings of the tournament:

1. WKK Wrocław (Poland)
2. BC Swiss Krono Żary (Poland)
