

A winning premiere for Pilsen

This year, the BK Lokomotiva Plzeň club is competing in our competition for the first time, and in its first tournament in the U13 category, its players managed to dominate the tournament without a single defeat. This happened in Brandýs nad Labem, where Lokomotiva took gold ahead of two teams from Poland.

Many close matches were seen at the third tournament of the U13 category, which was hosted by the Czech city of Brandýs nad Labem. The best performance was shown in all duels by the rookie players from BK Lokomotiva Plzeň, who did not experience the bitterness of defeat during the entire tournament. Thanks to a big chase in the final quarter, the boys from Nitra Blue Wings Academy lost to the later winners by the smallest difference of 5 points. For a long time, they reached for the victory over the silver team SKM Zastal Zielona Góra, but in the end they left this duel as losers and ended up just below the podium.

The battle between the two Polish teams for second and third place was clear for SKM Zastal Zielona Góra, which beat Korona 1919 Krakow by a difference of 40 points.

The boys of the host club BK Brandýs nad Labem rejoiced in the battle of two Czech teams and the only victory in the tournament right at the start of the tournament, and Královští Sokoli Hradec Králové was the last place left and they have to try to fight for their first win in one of the other tournaments.
