

Stargard wins U14 tournament at home

Stargard gave none of the participating teams a chance to consider winning the ninth U14 tournament on home soil. With an average of over a hundred points per game and the smallest difference in score of over thirty points, no one could have any doubts about the tournament winner.

The first round of matches on Friday already showed the strength and position of the individual teams. In the first match, the home team easily dealt with Handlová and scored the first "hundred". In the second match, Opava surpassed the Prague team Jížné Supy, again by a large difference in score. The first round was closed by the duel of the German academy Thuringia, which awarded the team from Litoměřice 120 points, which was the most points scored in the tournament.

On Saturday, the favorites for medals calmly guard their positions and win by a significant difference in score. An interesting duel brought the match for the only win in the tournament between the teams Slavoj BK Litoměřice and Jížní Supi, where Slavoj entered the match better. Unfortunately for them, the second half was better for the team from the southern tip of Prague, and they take their first and last win in the tournament.

On Sunday, the favorites once again confirm their qualities and easily defeat their fellow competitors.

Final tournament standings:

1. PGE Spójnia Stargard (Poland)
