

Nitra Blue Wings Academy wins the U13 tournament

Nitra did not find a winner at the eighth tournament of the U13 category, which was organized by Žďár nad Sázavou, and thus won gold medals. The tournament brought many balanced and exciting matches.

The tournament started with a match between the teams Vlci Žďár nad Sázavou and Královští Sokoli Hradec Králové. The home team gained a slight lead from the beginning of the match, which it increased throughout the match and finally won by twenty-four points. The second match offered a Slovak derby, where paradoxically it was an early match for first place in the tournament, without either team suspecting it. The match between Nitra and Komárno offered a duel of defenses and a big fight for every meter of the board, Nitra coped better with this format, taking the victory by twelve points. The first round of the match is closed by a match between the teams Válečníci Děčín and Kangoo Basket Gorzów Wielkopolski, where the Válečníci won by a large margin.

The tournament offered many balanced and attractive matches. The highlight of the tournament was certainly the Friday match between Nitra and Válečníky, the Saturday match between Komárno and Válečníky, and the Vlci also thoroughly defeated Komárno, although they ultimately failed to win.

On Sunday, Komárno gambled with its medal position when it was surprised by the Polish Kangoo Basket Gorzów Wielkopolski. In the end, the results of the matches between the individual teams had to decide the second to fourth place.
