

Wroclaw won the U13 home tournament!

The organizing club WKK Wroclaw did not find a winner in the first U13 tournament, although it won by a single point in a dramatic duel with the second Děčín.

In mid-November, the first tournament of the youngest U13 category took place in Poland, where we were hosted by the WKK Wroclaw club in its beautiful sports center.

From the first matches, it was clear that the two teams were outnumbering the rest of the field and their duel promised a dramatic spectacle. On Saturday morning, these expectations were met to a great extent and the duel between WKK Wroclaw and Válečníci Děčín brought great and balanced basketball. In the end, there were one point better home players, who can rejoice in winning the entire tournament.

The duel between Sokol Pražský a HAKRO Merlins Crailsheim for the bronze medal also brought a nice and balanced basketball. The third place cup eventually travels to the Czech Republic.

We have a nice and successful tournament in a beautiful environment, so all teams must leave satisfied. We believe that we will meet again in January, when the second tournament in this category is hosted by Děčín.
