CENTRAL EUROPEAN YOUTH BASKETBALL LEAGUE

WKK Wroclaw wins the U13 tournament

The fourth tournament of the U13 category took place in the Slovak city of Levice. The winner was the traditional participant of the CEYBL competition - the Polish team WKK Wroclaw.

In the opening match of the tournament, the home team Patrioti Levice Academy hosts the Austrian team BBLZ - Reach the Top . It was a balanced match, in which Levice defends the home board with a difference of seven points. The second match offers a Czech derby played on neutral Slovak territory. The players are Sokol Pražský and BBA Brno . The Falcons tighten their defensive screws from the beginning of the match and allow Brno to score only four points in the first quarter. And so the rest of the match continues and the Prague team wins by eleven points. In the third match of the tournament, the last participants are involved, namely the two Polish teams UKS MOS Opole and WKK Wroclaw . Here, the WKK team wins with a higher score difference. In the afternoon program, the home team prepared a truly heart-stopping experience for the fans. At first, it seemed that everything was on their side in the match with the Sokol Pražský team and the home team gradually built a slight lead. However, in the third quarter, the team loses some steam and the game becomes even. In the last quarter, every meter of the board is fought for and the game reaches an even ending, from which the Czech team Sokol Pražský wins by a single point.

On Saturday, we have the most balanced match as an appetizer before lunch. The players are the Austrian team BBLZ - Reach the Top and the Czech team BBA Brno . Throughout the match, Brno is in a slight single-digit lead. The Austrian team fights for its life, but in key moments it makes small mistakes that

ultimately cost it the chance to win this match.

On Sunday, the Polish team WKK Wroclaw first defeated the Czech team Sokol Pražský by a comfortable margin and can rejoice in the gold medals. The Czech team Sokol Pražský still has silver medals left, which they are certainly happy about, but they have a slightly bitter aftertaste after the heavy loss to WKK. In the second match, the Polish team UKS MOS Opole loses to the Austrian team BBLZ - Reach the Top . The tournament closes with a beautiful duel for third place in the tournament between the home team Patrioti Levice Academy and the Czech team BBA Brno . The entire match is completely balanced, both teams take turns in a slight lead, the players literally "eat" the board. In a balanced ending, the home team uses its knowledge of the board and extracts a narrow victory by two points. The home team Patrioti Levice Academy thus wins the bronze medals.
